

David Liddell, president and founder of SKYE Business Solutions, is an insightful and trusted advisor to organizations interested in improving their performance and results. Based on more than 20 years of experience in organizational and business development, he objectively evaluates organizations and their employees to identify opportunities for increased efficiencies and productivity. Recognizing that employees play a key role in a company's performance, David utilizes his analysis to create customized employee training and development solutions designed to enhance employee performance, leadership skills, team building, strategy planning and organizational development.

He is widely respected for his skills as an expert problem solver, trainer, speaker, facilitator and coach. As a certified 360 Solutions training partner and Profiles International strategic business partner, he brings proven expertise to his creation of customized employee development solutions.

Areas of Expertise

David has assisted numerous companies in improving employee and organizational performance. Using a blended approach (assessments, training, coaching, strategic planning, and consulting), following is a sample of results achieved:

- Improved core leadership strength and alignment
- Increased sales performance / business growth
- Maximized production throughput and workforce productivity
- Enhance organizational culture to foster a high performance mind-set (employee engagement)
- Elevated trust / improved communication and collaboration
- Ensured successful formation and execution on strategic objectives and goals
