Dear David,

Thank you for participating as a presenter at the HealthCare Symposium™ and Career Fair, Hosted by HealthCare Review on April 23, 2008 at the Radisson Hotel at the Center of NH. The feedback from the attendee evaluations was excellent. On a scale of 1-5, 5 being the highest, you consistently received 4's and 5's. Some of the comments and suggestions on the evaluations included the following:

very good presentation; excellent lecture; most enjoyable; dynamic; he speaks from his heart; upbeat message; thought provoking; I wish our management team were here to listen to David; much appreciated

The Healthcare Symposium™ and Career Fair has evolved into the most popular one-day health care CE Conference in New England. Our event has become a "must attend" day for health care professionals and students. It is because of our presenter's knowledge and insight that our show is so widely attended.

Thank you again for helping to make the Healthcare Symposium™ and Career Fair a great success.

Sincerely,
