Dear David:

I would like to take this opportunity to thank you for the valuable coaching experience you have given me. The tips and techniques provided in my coaching experience with you have proven to be not only valuable but have a practical everyday usefulness.

Coaching showed me how to be clear in what I need, listen to what others need, set expectations, allow others to be responsible for their pieces and to keep communicating.

The results are worth the work and are beyond what I would have though possible.

I would recommend coaching with you to anyone who wants more from themselves or their team. The steps sound simple but their impact can be huge.

Sincerely,

Beth Walker
